Linda (Glerum) Crouch - KA Staff

"Memorized Scripture helped me when many words of doctrine blew, I learned that the Christian commitment is a lifelong marathon, not a sprint. Our varied backgrounds showed the power of unity in diversity."  
Modupe (Onamusi) Olawobi

"I'm grateful to KA for teaching me independence, teamwork, responsibility who I was, and my strengths and weakness. I learned I could be the best at whatever I did with God's help, determination and hard work."  
Ruth Jambol

Most students continue their education in schools around Nigeria. The quality of KA training is reflected in exemplary character, integrity, and high standing in their classes. It is by God's grace alone that spiritual fruit develops in the lives of students and alumni.

Parents are grateful for KA's emphasis on Scripture memory and for the nurture of habits such as orderliness and helpfulness. KA staff and parents rejoice together to see children accept Christ personally and grow in their knowledge of and obedience to Him.

## KENT ACADEMY

*The Primary Difference is Jesus Christ*

### **Purpose Statement**

*The purpose of Kent Academy is to provide an excellent Christian primary education in a nurturing, living and learning environment where children are disciplined and equipped to fulfill God's purpose for them in the church and society.*

### **Our History**

Kent Academy, named after one of the founding fathers of SIM, was founded in 1945 and situated in a spacious, serene environment in Miango, Plateau State, as a boarding school for the children of SIM missionaries working in West Africa. This allowed parents and children to be together at least twice a year, while previously they were separated up to four years at a time.

### **Kent Academy Today**

Today with an attendance of about 150 pupils in grades 1-6, KA serves church, government workers and business families within and outside Nigeria. Kent Academy in central Nigeria is owned and operated by ECWA. Training is focused on giving children a firm foundation in the basics: Bible, Mathematics, Reading and Writing. The curriculum is internationally based. This, along with spiritual training in both the dorm and school, prepares children for life and learning.

Grounded in the word of God, KA's educational philosophy aims to develop the whole individual. Art, Music, Language Arts, Science, Computer, Social Studies and Physical Education give balance in a well rounded program. Parents and school seek to be partners as they encourage and guide the students.

### **Fun**

KA's calendar includes clubs and game nights, an alumni retreat, assemblies and music programs, inter-school sports, field trips carnivals, banquets and community ministry projects. Sunday school and chapel services are held weekly. Parents can visit children Saturday and Sunday afternoons of school weekends.

### **School Calendar**

The school year begins in early August and ends the last week of May. There is a one week break in October, a three week break at Christmas and a one week break at Easter.

### **Our Staff**

Kent Academy's staff includes teachers, dorm parents, nurse, kitchen, general purpose workers and office managers. Besides Bible and university training, all have a whole-hearted love for children and a commitment to serving the Lord. The well stocked library of more than 12,000 books, a dispensary, computer and science lab, and our own water system provide quality needed resources.

### **Visiting Guests**
